China Resources Gas Group Limited

(formerly China Resources Logic Limited)

(the “Company”)

(Incorporated in Bermuda with limited liability)

(Stock Code: 1193)

ADOPTION OF RESTRICTED SHARE AWARD SCHEME

The board of directors of China Resources Gas Group Limited resolved on 1 December 2008 to adopt the restricted share award scheme as an incentive to retain and encourage the employees for the continual operation and development of the Group. The Company intends to appoint BOCI-Prudential Trustee Limited as the Trustee, pursuant to which existing Shares will be purchased by the Trustee from the market out of cash contributed by the Group and be held in trust for the relevant Selected Employees until such Shares are vested with the relevant Selected Employees in accordance with the provisions of the Scheme.

The Board will implement the Scheme in accordance with the terms of the Scheme Rules including providing necessary funds to the Trustee for purchase of Shares up to 5% of the issued share capital of the Company from time to time.

ADOPTION OF RESTRICTED SHARE AWARD SCHEME

The board of directors of China Resources Gas Group Limited resolved on 1 December 2008 to adopt the Scheme and the Company intends to appoint BOCI-Prudential Trustee Limited as the Trustee, pursuant to which existing Shares will be purchased by the Trustee from the market out of cash contributed by the Group and be held in trust for the relevant Selected Employees until such Shares are vested with the relevant Selected Employees in accordance with the provisions of the Scheme.

The Board will implement the Scheme in accordance with the terms of the Scheme Rules.

For the avoidance of doubt, no new Share will be granted under the Scheme.

No Shareholders' approval is required for adoption or implementation of the Scheme.

LISTING RULES IMPLICATION

The Scheme does not constitute a share option scheme or an arrangement analogous to a share option scheme for the purpose of Chapter 17 of the Listing Rules and is a discretionary scheme of the Company.

Pursuant to the Scheme, existing Shares will be purchased by the Trustee and be held in trust for the relevant Selected Employees. Employees cover any employee (inclusive of any Director) of any member of the Group and any Investee Company. Accordingly, if the Board selects a Director as the Selected Employee, the grant of the Restricted Shares to the Director may constitute a connected transaction. However, given the grant of Restricted Shares to a Director will form part of the remuneration of the relevant Director under his service contract, such grant of Restricted Shares are exempted from all the reporting, announcement and independent Shareholders' approval requirements under rule 14A.31(6) of the Listing Rules. However, any grant of Restricted Shares to any director or senior management of the Company must first be approved by the remuneration committee of the Company. In the unlikely event that any grant of Restricted Shares to a connected person (as defined under the Listing Rules) of the Company other than a director of any company within the Group, the Company shall comply with the relevant requirements under the Listing Rules. A summary of the Scheme Rules is set out below at the end of this announcement.

REASONS FOR THE ADOPTION OF THE SCHEME

The directors of the Company strongly believe that the future success of the Company is closely tied to the commitment and efforts of the employees of the Group and the Investee Companies. The Board proposes the Scheme to increase the degree to which the employee's interests are directly tied to the fortunes of the Company and its Shareholders. The awards to be made under the Scheme enable the Selected Employees to see their fortunes more directly linked to that of the Shareholders through the mechanism under the Scheme. The Restricted Shares to be awarded will be calculated and awarded on the basis of specific pre-defined criteria that directly links to the Company's operating performance. The awards under the Scheme, if made, would have the incidental effect of allowing the Trustee to purchase the Shares at the most advantageous pricing within the allowed window.

SUMMARY OF THE SCHEME RULES

Purposes and Objectives

The purpose of the Scheme is to recognise and motivate the contribution of certain Employees and to provide incentives and help the Group and the Investee Companies in retaining its existing Employees and recruiting additional Employees and to provide them with a direct economic interest in attaining the long-term business objectives of the Company.

Administration

The Scheme shall be subject to the administration of the Board in accordance with the Scheme Rules.

Maximum Limit

The Board shall not make any further award of Restricted Shares which will result in the aggregate number of restricted shares awarded by the Board throughout the duration of the Scheme to be in excess of 5% of the issued share capital of the

further Shares for the Scheme (or may be used as payment of the Trustee's fees or expenses at the election of the Company when appropriate).

Vesting and Lapse

Unless otherwise determined by the Board at its discretion, Restricted Shares held by the Trustee upon the Trust and which are referable to a Selected Employee shall not vest in the Selected Employee under the following circumstances:

In any event, the relevant Restricted Shares awarded shall not vest on the relevant vesting date but shall become Returned Shares and shall be held as Returned Shares for the purposes of the Scheme.

In the event (i) a Selected Employee is found to be an Excluded Employee or (ii) a Selected Employee fails to return duly executed transfer documents within the stipulated period, the relevant part of an award made to such Selected Employee shall automatically lapse forthwith and the relevant Shares awarded shall not vest on the relevant vesting date but shall become Returned Shares for the purposes of the Scheme.

If there occurs an event of change in control (as specified in The Codes on Takeovers and Mergers and Share Repurchases from time to time) of the Company, whether by way of offer, merger, scheme of arrangement or otherwise, all the awarded Restricted Shares shall immediately vest on the date when such change in control event becomes or is declared unconditional and such date shall be

deemed the vesting date.

Where the awarded Restricted Shares do not vest in accordance with the Scheme Rules, the Trustee shall hold such Restricted Shares for the benefit of one or more employees of the Group or the Investee Companies as it determines in its discretion, after having taken into account the recommendations of the Board.

Voting Rights

The Trustee shall not exercise the voting rights in respect of any Shares held under the Trust (including but not limited to the awarded Restricted Shares, and further Shares acquired out of the income derived therefrom).

Duration and Termination

The Scheme shall be effective from the Adoption Date and shall continue in full force and effect for the entire Trust Period and the early termination by the Board of the Scheme shall not affect any subsisting rights of any Selected Employee hereunder.

Upon termination, all awarded Restricted Shares shall become vested on the Selected Employees so referable on such date of termination, subject to the receipt by the Trustee of the transfer documents duly executed by the Selected Employees within the stipulated period. Net sale proceeds (after making appropriate deductions) of the Returned Shares and such non-cash income together with the residual cash and such other funds remaining in the Trust shall be remitted to the Company forthwith after the sale.
